

**REMARKS**

This application is a United States National Phase application of International Application No. PCT/NZ2004/000271, International Filing Date October 28, 2004, which is filed pursuant to 35 U.S.C. § 371.

The specification has been amended to add the cross-reference to related applications in the first paragraph and references Applicant's claim to priority.

The PCT application, of which instant application is a United States National Phase Application, was filed with 30 claims. Applicants have cancelled claims 1 to 30 without prejudice and reserve the right to pursue the subject matter of the cancelled claims in one or more continuing and/or divisional applications, as appropriate.

New claims 31-71 have been added. Support for these claims is found throughout the specification as filed, including in the claims as originally filed and in the drawings. No new matter has been added.

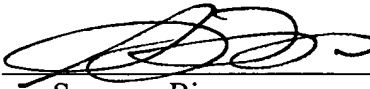

Prior to examination of the above-captioned application, Applicants respectfully request entry of the amendments to the specification and claims, including new claims 31-71, and consideration of Applicants' Remarks.

Consideration and allowance of all presently pending claims are respectfully requested.

If the Examiner believes that a telephonic interview would expedite prosecution of this application, he or she is encouraged to telephone the undersigned Applicants' attorney.

If the fees submitted in connection with this submission are incorrect or if any other fees are due in connection with this submission, please charge any such fee or credit any overpayment to Deposit Account No. 04-1679.

Respectfully submitted,
